"The reception was great with Colin residing over it. He was very open to our ideas and was a professional to deal with...I would highly recommend him to others and we thoroughly enjoyed the time spent with Colin."
Meredith & Mark Morton

"Colin was great! We had a wide range in music and he successfully made them work all together. All we wanted was for people to have a good time and dance and he made that happen!"
Mary & Greg Garrison

"We got so many compliments on the music-
you guys are great!"
Megan & Josh McHenry

"I have seen at least 20 DJ's at different weddings and none of them held a candle to Colin. He helped make our night perfect for everyone. I received more compliments about Colin and his music selection than I did about anything else at our reception. He is the absolute best and I would recommend him to everyone."
