E3

E3

3 friends who have made music together for over a decade
3 musicians who have hit songs and hundreds of thousands of album sales
3 amazingly versatile, seasoned musicians

Steve Van Dam: guitar, keys, sax, vox-- **Everything** (London/Sire/Capricorn)
Andy Waldeck: bass, vox--**Egypt, Earth to Andy** (Hollywood Records)
Nate Brown: drums, vox --**Everything, Gibb Droll** (London/Sire/Capricorn)

The E3 story begins in the late 80s, when a new band called Everything opened up for Egypt, a ground breaking funk rock band selling out clubs up and down the East Coast. Fast forward to 2006 and you skip over record deals, the hit song "Hooch", 1,000's of shows from Shockoe Slip, to San Fran, to Seoul... well you get the idea. But the point is that these guys have done it all, and have the experience and chops to play anything anywhere, to just about anybody. A recent gig found them playing quiet storm versions of Led Zep and Hendrix, after which a fan declared, "This is the best cover band EVER!". See for yourself. Rock, funk, groove, dance, chill. Cool.

Oh, and if a trio isn't quite big enough for you, they know people, like the best horn section this side of the Mississippi, or some female vocalists that will knock your socks off... in fact, you name it, they make a call. Done.

KUDOS from Happy Clients:

"The band was great, everyone enjoyed them very much and danced the night away!! They played a great mix of music, and sounded great live. Thanks for everything!
Jessica and Brett

"The wedding was a blast and we had a fantastic time. E3 did a wonderful job coordinating the reception, and all of the music that they played was perfectly suited for the event. They really played up to the crowd, and all of our friends and family really had a blast and danced the night away. I really couldn't have been any happier with the way things went, and I will definitely pass your information along to anyone in need of a band for a future event."

Thanks Again, Taylor

"THANK YOU SO MUCH for recommending E3. They were FANTASTIC! I just can't even put into words how much fun we had at the reception thanks to them. They were so nice, so easy to work with and so professional. The dance floor was packed the entire night (which was just what I wanted!)! They were great with all of the kids running around and even led the room in "Happy Birthday" for my grandfather. I just can't say enough great things about them. I am forever an E3 groupie!!!! Maybe I can talk Mike into a first anniversary party next year just to have a reason to hire them again! I will certainly recommend E3 to whoever is looking to hire a band!" - Sheila and Mike Ellison

"Andy, I wanted to let you know how much we absolutely LOVED LOVED "E3" this past weekend! They were perfect. So professional, so nice. They were a hit. An absolute 10! My party loved them. They were so fantastic, I am so happy with them. Please recommend them to everybody. They were perfect. I am so thrilled with them - they got the whole crowd going. They were wonderful and we were unbelievably happy with them. Thanks for recommending them to us. We were completely happy with them. We had a blast!"
Lori Burman, May 2008 40th birthday party

"Many thanks for helping us hook up with E3. We've had a lot of really nice compliments about the band from the boat club members. Personally, I thought they did an excellent job of playing to the audience and cranking out the right mix and volume of tunes. What was really neat was that by the end of the night there were really just a couple of families around, still, they had no problem playing a rousing encore of two songs for the 8 people still around. Best part of the night.

Best regards,
Kelly J. Ludwig, Richmond Powerboat Association

Thank you so much for arranging the E3 Band to perform at Alvernia College on September 13th. Andy and the guys were fantastic to work with and a pleasure to have with us. We could not have asked for a better group for the celebration.

All my best to you-
Meggan Kerber, Alvernia College

"Everything went pretty well, and everyone really enjoyed the band. E3 was great and didn't require too much attention from me that night, which helped me enjoy the night as well. All in all, I would definitely recommend E3 to anyone who is thinking of booking them. Thanks for all of your help coordinating. " - Ben

"Sorry it has taken me so long! I just wanted to let you know that I thought you guys were AMAZING! I have already referred you to a few clients! Hopefully it will work out! "
Sharon Block, Manager, City Tavern Club, Washington DC

"Thank you so much for helping us with E3. They were phenomenal! We had them up on the top floor, in lieu of the ballroom due to size, and they stole the event. The WHOLE party moved to the room they were in and thus we even had to move our toast up to them. We couldn't have asked for a better band with a better bunch of guys. They were a delight to work with and an honor to get to know. I look forward to booking them again, VERY SOON. Also, they got a great nod in The Washingtonian's blogs. We expect to make it in the print version in a month or so as well. So, keep your eye out for it.

Also, be sure to check out our website for updated pictures from the event. I have attached a couple to start."

Best, Seda Atam, Luke's Wings Benefit, Event Organizer

"E3 was perfect for our reception, we loved them, our guests raved about them, and the dance floor was packed the whole night, from our first dance to the very end, which says it all really. They were also completely sensitive to all our requests, professional, reliable, and great with the crowd. A special thanks for stopping so smoothly mid-set to allow my spontaneous wife to thank all the guests, which was one of the most heartfelt moments of our wedding. Perfect band, great song choices. I've had several friends who are getting married ask about them, so they should be calling you.
Joe and Tracey Lawlor, joelaw@dmbroad.org

"I just wanted to thank you one more time for playing my party last week. Everyone that was there made it a point to tell me that you guys were by far the best cover band they had ever seen. I haven't seen all my oldest friends dancing all night in a long, long time. As I told you that night, having you guys at my 50th was the best decision I've made in a long time. Also, you guys were so easy to deal with, completely professional and reliable. In a nutshell, we had a blast, you all were fantastic. Can't wait to see your band again. Please feel free to use me as a reference. E3 will get a top recommendation from me." - Greg Campbell, Smarter Interiors 804-358-7979 Ext 205

"I want to thank all those who put together the Luau/BBQ on Saturday night. We had a wonderful turnout (I heard there were over 180 folks), a fabulous band, excellent food, and a really fun way to wind up the summer. So many of the guests thanked me for booking E3, they were the best band any of us have ever heard. They were also so easy to deal with, completely professional, and reliable, and charming with the crowd. Thanks again, and we'd love to have E3 back again any time!"
- April Mann, BGCA Entertainment Chair

"Your band made Greg's 50th birthday party the best we've ever had (and believe me, we have a lot of parties!) We love you guys! We're still talking about it.... Even my daughter loved you guys, and I can't remember the last time we liked the same band-maybe 10 years ago when she was in pigtails. What a hoot!!!!!! We're all coming to the Virginia Derby because you're playing. Can't wait to hear you again!"
