### What People Are Saying About Eric's Performance...

"Eric is the BEST! We couldn't have asked for a friendlier, personable DJ! We received numerous compliments on his great performance!"

Carrie & Marc Steadman, Wedding Reception

"Eric was an exceptional DJ! He took the time to get to know us and understand what we wanted out of our reception. I will definitely use Eric anytime we need a DJ!"

Lindsay & Jamie Cobb, Wedding Reception

"Eric was amazing! He went above and beyond his duties. He even helped us with our ceremony music when we were caught in a jam. I recommend him to EVERYONE!!

Christy & Lionel Bacon, Wedding Reception

"We were SO nervous about the music for our reception (having been to several where the music was awful and it ruined the entire affair). JB assured us that Eric would be a good fit for us and he couldn't have been more right! Eric took time to meet with us and put us at ease and when wedding day came he TOTALLY ROCKED! He perfectly read the crowd and kept the party going-everyone (young, old, even handicapped!) were out shaking it on the dance floor. Call us and we'll tell you all about him! A+++"
