What People Are Saying About Hunter's Performance...

"Your interaction with the guests and knowledge of music made my husband's 40th birthday a great party! I appreciated your promptness, professionalism and engaging personality. You come highly recommended!
Lauri Talley, 40th Birthday Party

"Your music seemed to provide a little something for everyone and as you know a good time was had by all. We appreciate your meeting with us beforehand to plan how the events would unfold so that my sister and I did not have to worry about the details at the time of the reception. I thought you would like to know that many of our family members and friends have commented on how smoothly things went and what a great time they had. You will be highly recommended to anyone who asks about a deejay for any event they are planning. Thank you again."
Susan Best, Niece's Wedding

"You helped create a special and enjoyable wedding reception. We were impressed with your ability to play a wide variety of music and your warm personality. You were indeed a very valuable piece of the reception.
Thanks again."
