"JB-I'm just now getting back from the wedding/honeymoon/unpacking of the new house and wanted to say thank you. Everyone had a fantastic time at the wedding and I know a lot of that had to do with the great job you did. A number of people specifically said how great you were. So thank you again for making the day so much fun and if we ever have occasion to plan another event in Richmond, you will be at the top of our list!"

Laura Bach & Jake Lipscomb

"Everything was exactly as we had discussed. The timing was perfect and we didn't hear a single song we hadn't asked for. Nothing cheesy or cliché- it was all tailored to our taste and ceremony. We would definitely recommend you to anyone!"
