What People Are Saying About Melvin's Performance...

"Thank you so much for referring Melvin Gates to us for the L.C. Bird Class of 1998 ten year reunion. Melvin was wonderful. The best part of the evening was when Melvin noticed our class struggling to find the beat in the "Electric Slide" and he stopped the song, started over and led us in the dance! We had a wonderful evening and can't thank you enough! Melvin is amazing! Thanks again!"

Sincerely,
Cheryl Nelson & The L.C. Bird '98
