NRG KRYSYS

It's summer 1972 and you've gassed-up that sweet baby blue Dodge Charger. You look like a love machine—slacks flared and skin-tight, Cosmic butterfly-collar shirt unbuttoned just so, and your medallion swings as you roll down the road. The 8-track pumps out "Hot Fun in the Summertime" as you make the scene... Suddenly you flash awake from this fantastic '70s dream. Your Blackberry throbs with a new message: "Your dream party can be real—NRG KRYSYS is the answer!" When Everyday People Get on the Good Foot and Dance to the Music, your sweet soul knows the truth. Summer 1972 never fades and the party grooves on!
